

## REPLY SLIP

**National University of Singapore  
School of Computing/Faculty of Science  
MA1301 INTRODUCTORY MATHEMATICS PROFICIENCY TEST**

---

I wish to sit for the proficiency test. (Please tick)

<u>Module</u>	<u>Date of test</u>	<u>Time</u>	<u>Venue</u>
<input type="checkbox"/> MA1301 Introductory Mathematics	21 July 2008	1000-1200 hrs	LT27

I understand that I will not be granted credits after passing this test and a pass in this test will allow me to read any Mathematics modules from the Department of Mathematics, Faculty of Science that requires a pass in A-level Mathematics or H2 Mathematics as the prerequisite. Candidates who have done Mathematics modules during their polytechnic training will not be exempted from taking this test. They must take this test to determine their Mathematics Proficiency. Candidates without either GCE 'A' level Mathematics or H2 Mathematics must take this test to determine their Mathematics Proficiency so that they can read any Mathematics modules from the Department of Mathematics, Faculty of Science that requires a pass in A-level Mathematics or H2 Mathematics as the prerequisite
