MAS Masters Scholarship

- Eligibility: Mid-career professionals with at least 2 years of relevant work experience in technology, data or cyber security related fields
- Fields of study: Computer science, data analytics or other technology related fields
- The award will be conditional on the scholar getting a place in one of the reputable universities, approved by MAS
- Terms of award: Full tuition fees, monthly allowance, and other approved fees
- Mid-term students can also apply. MAS will back-pay all relevant expenses incurred by successful applicants since the start of their course
- Bond:
