

FRENCH-NUS DOUBLE DEGREE PROGRAMME INSTRUCTIONS

DEADLINE FOR APPLICATION: 15 JANUARY 2009

Thank you for your interest in the French-NUS Double Degree Programme (DPP). Please spend a few minutes to read through the following instructions before submitting the application.

1. Successful applicants will have to take selected Mathematics and Physics modules which are required for the programme.
2. Knowledge of the French language is not a pre-requisite. Successful applicants will be required to take French language modules at the NUS Centre for Language Studies or externally, if necessary. The cost of the French language courses taken externally will be borne by the students.
3. Successful applicants will be required to participate in two language immersions in France in June and December 2009. Please note that students will have to bear the cost of airfare, local transportation, visa and other related costs. Students are advised to budget about \$2,000 for each immersion.
4. Successful applicants will be responsible for their own expenses for the 2-year study in France. Such expenses include (but are not limited to) accommodation, clothing, transportation and food. Students are advised to plan their financial arrangements well and to apply for scholarships/loans where necessary.
5. Applicants are advised to study carefully the information at the Faculty websites including the FAQs and consult the Faculties for further clarification before submitting the application. The Faculty websites can be found at:
