20 July 2005

Curriculum updates

1. Discontinuation of IF3209/EL3271

As IF3209/EL3271 will not be offered in the next few years, students matriculated in AY02/03, AY03/04 and AY04/05 may read any modules from the CM elective group B (i.e. Content Creation & Mass Media module group) to replace IF3209/EL3271.

2. Introduction of new modules under CM elective group B

The following new modules will be added to CM elective Group B :

NM2102 : Communications and New Media Research
NM2209 : Social Psychology of New Media
NM2218 : Critical introduction to Gaming
NM3204 : E-Learning
NM3212 : Media and Audiences
NM3215 : Advertising Strategies
NM3216 : Gaming Culture I
NM3218 : Knowledge Management : Approaches & Critique
NM5203 : Infocomm Technology and Policy
NM5204 : Computer-Mediated Environments

16 July 2008

1. Defunct modules w.e.f. AY2008-9

- NM2204 Economics of Information and Communication
- NM3201 Media & Globalisation (old title: Media, Globalisation & IT)

Current students who have already read and passed these two modules would still be able to use them to fulfill their CM Grp B Electives.

2. Changes to modules code:

- NM3218 Knowledge Management: Approaches & Critique (**New module code is NM4218**, module title remains the same)
- NM4201 Culture Industries (**New module code is NM3224**, module title remains the same)

3. Changes to modules titles

- NM4204 Ethics in the Information Age (module title is now “**Ethics in Communications and New Media**”)
- NM3216 Game Design I (module title is now “**Game Design**”)

4. Introduction of new modules under CM elective group A

The following new modules will be added to CM elective Group A for AY2007-8 cohort or earlier :

CS3343	Digital Media Production
CS4345	General Purpose Computation on GPU
CS4346	Game Console Programming
CS5248	Systems Support for Continuous Media
