Notes:

- CE: SoC Common Essentials, PE: CM Programme Essentials, PE2: Programme Essentials for both CS and CM programmes, EA: CM Programme Electives Group A, EB: CM Programme Electives Group B, ULR: University Level Requirements, UE: Unrestricted Electives
- For CS1101/S and CS1231/S, students can choose either the S or non-S option.
- IF1101E is preferred over CS1105 because it provides a stronger foundation for other IF modules. IF1101E can replace CS1105 in satisfying B.Comp degrees.
- For Content Creation & Mass Communication focus, ST1232 is sufficient.
- Content Creation & Mass Communication focus takes more Group B than Group A programme elective modules.
- Early streamer starts taking PE modules in year 1.
