

Matric	Module	Reason
U076998R	CS3215	-Adding this module will cause the student's workload to be exceeded for this semester.
U077218E	CS3253	-Adding this module will cause the student's workload to be exceeded for this semester.
U077423N	CS3253	-Adding this module will cause the student's workload to be exceeded for this semester.
U078918L	CS3253	-Adding this module will cause the student's workload to be exceeded for this semester.
U080470Y	CS3248	-Adding this module will cause the student's workload to be exceeded for this semester.
U081583X	CS2106	-Adding this module will cause the student's workload to be exceeded for this semester.
U086981M	CS2105	-Adding this module will cause the student's workload to be exceeded for this semester.
U086981M	CS3230	-Adding this module will cause the student's workload to be exceeded for this semester.
U086985J	CS3265	-Adding this module will cause the student's workload to be exceeded for this semester.
U087137L	CS3103	-Adding this module will cause the student's workload to be exceeded for this semester.
U087169X	CS3248	-Adding this module will cause the student's workload to be exceeded for this semester.
U087179U	CS3215	-Adding this module will cause the student's workload to be exceeded for this semester.
U087231N	CS2106	-Adding this module will cause the student's workload to be exceeded for this semester.
U087231N	CS3215	-Adding this module will cause the student's workload to be exceeded for this semester.
U087238W	CS3253	-Adding this module will cause the student's workload to be exceeded for this semester.
U087239H	CS3223	-Adding this module will cause the student's workload to be exceeded for this semester.
U087239H	CS3264	-Adding this module will cause the student's workload to be exceeded for this semester.
U090016X	CS2301	-Adding this module will cause the student's workload to be exceeded for this semester.
U097006L	CS2301	-Adding this module will cause the student's workload to be exceeded for this semester.
U096975L	CS1102	-This module has lecture clash with student's existing selected and allocated module(s): [EC1301].
U087137L	CS4244	-This module has examination clash with student's existing selected and allocated module(s): [ACC2002].
U087137L	CS3235	-This module has examination clash with student's existing selected and allocated module(s): [BSP2001].
U086963U	CS2103	-This module has examination clash with student's existing selected and allocated module(s): [ST2131].
U087039L	CS2103	-This module has examination clash with student's existing selected and allocated module(s): [ST2131].
U087045L	CS2103	-This module has examination clash with student's existing selected and allocated module(s): [ST2131].
U096845Y	CS1231	-This module has lecture clash with student's existing selected and allocated module(s): [ACC1002X].
U077371Y	CS3254	-This module has lecture clash with student's existing selected and allocated module(s): [ACC2002].
U087137L	CS3211	-This module has lecture clash with student's existing selected and allocated module(s): [ACC2002].
