Alibaba Talent Programme

Objective：

In order to nurture R&D talents in computer science related areas, Alibaba Group launches the "Alibaba Talent Programme" in Singapore to support the outstanding undergraduate and master students to pursue their PhD degrees.

This programme is strongly supported by Economic Development Board (EDB) and Singapore universities. The PhD candidates will study in local universities and participate in the valuable research projects collaborated between Alibaba and universities. Alibaba will provide data samples and business scenarios and cooperate with the universities to create the best academic environment to help them grow. The successful candidate will become Alibaba's full-time employee and pursue this programme on a full-time basis. Each PhD candidate will be mentored by at least one supervisor from his/her enrolled university and one co-supervisor from Alibaba.

Application Requirements：

1) Singapore Citizen (SC) or Singapore Permanent Resident （SPR）；
2) Meet the university's admission and academic requirements;
3) Obtained bachelor's or master's degree in Computer Science/Engineering, Electrical, Electronic, Mathematics, or other related areas;
4) Graduated from local universities like NTU/NUS/SMU/SUTD or other world-wide top universities with excellent academic records;
5) Keen to study in the areas of Artificial Intelligence, Internet of Things, Cloud Computing, Optimization, Data analytics, Database, Cryptography and Security, Quantum Computing, etc.
6) Expected to spend at least 50% of his/her time at the Alibaba's facility to work on the research projects;

Benefits：

1) Monthly salary of **5,000** SGD for 4 years;
2) Fully supported tuition fees for 4 years；
3) Central Provident Fund (CPF) Contribution; (*Note: the rate is pegged to the prevailing employer's contribution rate set by CPF;*)
4) Other benefits, such as IT device, insurance, Alibaba trainings, etc.

How to apply:

Please apply from here :

NUS School of Computing

Important Days	August Intake
Opening of the Application Portal	Open
Closing date of the application	15 April
Interview	End April/ Early May
Outcome notification	End May
Intake commencing	August
