Employer Queries: soc.internship@nus.edu.sg

Queries regarding **NUS TalentConnect portal** (eg: Portal access, password reset, submission issues etc.): talentconnect@nus.edu.sg.

Other Points to Note:

- Please complete the fields as guided above. Incorrect submissions may be rejected and result in delays in processing.
- Vetting and processing of postings are done on a rolling basis.
- Only internship offers that meet the following criteria will be recognized by the school as unit-bearing:
 - Must be approved under School of Computing's internship programmes [ATAP/DTLP]
 - Students are required to formally accept internship offers via TalentConnect. This will help the school efficiently manage student placements as we **DO NOT ALLOW** students to withdraw and switch internships after accepting an offer from an Employer.
 - Please ensure that the student's accepted internship offer is recorded in TalentConnect. This enables the school to issue the necessary internship support letter to the student in a timely manner.
