Very informative presentation.

Very engaging presentation. Could be a good benchmark for Malaysia.

The lecturer created a very interactive session.

he has a great sense of humor and made a session fun

Impress of the systems they build. Well done.

He is so bubbly and had so much idea in mind.

Very good and clear explanation

Good and clearer explanation

Q5 - Please explain your rating and add any comments or suggestions for Course Learning Objectives.

All the CLO was achieved.

Would be nice if visit to ongoing project on the ground can be incorporated in the course.

Well achieved

excellent

Add more AI subject

Beneficial insights

Excellent for noob like me

I think for all programmes are achieve the objective about AI

Excellent

Good

Everything was good

Schedule very tight

Applicable in Malaysian context

For my opinion, I think overall is good and interesting to learnt for.

Awesome
