# 1. FINAL PRODUCTION PREVIEW

---

A rough cut of the final production can be viewed by opening the file "Polaroid\_War.mp4".

## 2. TASKS COMPLETED

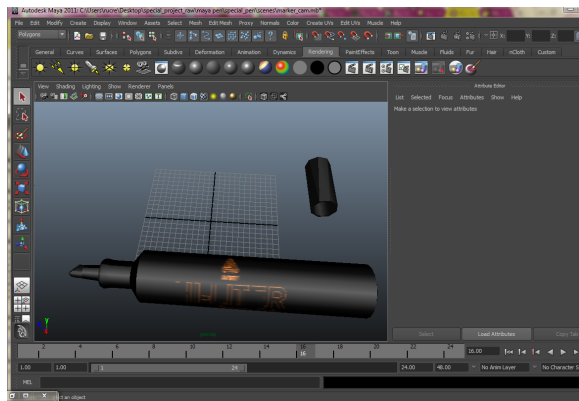

---

3-Dimensional models of the eraser and marker used in the video clip are modeled in Maya. Shadows and fine-tuning of some scenes has also been implemented.

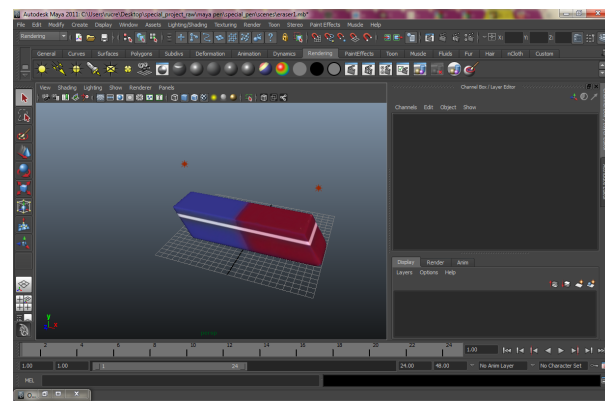

Backgrounds for the Polaroid pictures have been filmed but they have not been added into the final cut of the video.

### Screenshots of 3D Models

Screenshots of the 3D models used are shown below.

**Marker Model**

**Eraser Model**
