Dear Sir/Mdm

RE: THE KING AND I STUDENT PERFORMERS

We are proud to inform you that **Nur Syereen D/O Saik Nural Islam** has been selected to participate in the musical masterpiece, **The King and I**, which will be performing at the Esplanade Theatre from the 6th to the 26th of August 2007. She was selected from a pool of over 120 children who had auditioned for the role as one of the King's children.

As such, **Nur Syereen** as well as 13 other local Student Performers will have to attend rehearsal sessions deemed compulsory by Broadway Asia, as this will prepare them for the live performances. Their training includes music and movement, vocals and other theatrical skills. Their attendance for these rehearsals is compulsory as non-attendance will affect the overall quality and feel of the performances.

We have attached a copy of the rehearsal schedule as well as the performance schedule. **Nur Syereen** is slotted for Group A. We would appreciate your understanding in exempting her from school as well as extra-curricular related activities during the rehearsal timings.

We are also very pleased to inform you that **The King and I** is an approved programmed by the National Arts Council and we are pleased to inform you that the Singapore Totaliser Board Arts Grant will defray 60% of the cost of each ticket, therefore your school pays only 40% of the listed ticket prices.
