```
============================================================
          Community Detection (Basic)  (Summer 2016)
     Project Presentation, Fri, 29-Jul, 02:00pm -- 05:00pm)
             (Session B: GROUPS 08-15)
        Venue: SR3 (Seminar Room 3), COM1-Level 2

          PEER PROJECT PRESENTATION GRADING FORM
============================================================
```

YOUR Group: GROUP-____   YOUR NAME: _____

You MUST attend the ENTIRE session (3 hrs). Each person grades 6 other group
projects (in the session); You do NOT grade your own group project.

PEER GRADING CRITERIA:
=====================
Give a score (1-5) for each: (a) Organization, (b) Clarity, (c) Innovation.
You should aim for the following rough standard: (1-5)
    5 points for very good
    3 points for average
    1 for below average
Please apply consistently standard for all the projects you grade.
