

IPM-NUS Workshop on Analysis and Application of Protein Interaction Networks

Shahid Beheshti University
17 & 18 November 2008

Monday, November 17

8:30	Registration opens
9:00	Proteins: from sequence to structure (part I) <i>Mehdi Sadeghi</i>
10:30	Coffee break
11:00	Proteins: from sequence to structure (part II) <i>Mehdi Sadeghi</i>
12:30	Lunch
14:00	A Tutorial on Data Mining Techniques for Protein Function Inference (Part I) <i>Limsoon Wong</i>
15:30	Coffee break
16:00	A Tutorial on Data Mining Techniques for Protein Function Inference (Part II) <i>Limsoon Wong</i>

Tuesday, November 18

8:30	Registration opens
8:30	Increasing Confidence of Protein-Protein Interactomes <i>Limsoon Wong</i>
9:30	Coffee break
9:45	Identifying Protein Complexes from Protein Interactome Maps <i>Limsoon Wong</i>
10:45	Coffee break
11:00	Guilt by Association of Common Interaction Partners <i>Limsoon Wong</i>
12:00	Coffee break
12:15	Identification Protein Complexes Using 3-connected Subgraphs <i>Changiz Eslahchi</i>
